

# SHS Ice Hockey Club

## *Sponsorship Packet*

Dear Parents:

The **Springfield High School Ice Hockey Club** is trying a new fundraiser this year. The new Sponsorship-Ad Book provides a great opportunity for you to **reduce your tuition costs** as well as raise money for the club.

The publication of our 2009-10 Ad Book will allow all Springfield Ice Hockey supporters, from businesses to players' families, to cheer the team on to success. In addition to the advertisement in the physical book, sponsors that spend \$60 or more are entitled to a link on the SHS Ice Hockey website for the 2009-2010 year.

**Fifty percent** of the cost of each advertisement that a player submits for booklet publication will be credited towards that player's hockey tuition. A player cannot be credited for an amount greater than the base tuition. Therefore, if a player sells advertisements that exceed two times the base tuition amount, then the excess sales revenues will be placed in the team fund to help cover additional practices, tournament fees, and operating expenses.

The final submission date for ads is November 1, 2009.

The enclosed package provides you with all the materials you'll need to help keep a great kid from The Springfield High School Ice Hockey Club on the ice...

Sincerely,

Dave Doyle  
SHS Ice Hockey President
