

Springfield High School Ice Hockey  
Adjustment to Fees for Medical Reasons

Any player that is unable to play/practice for medical reasons may be entitled to an adjustment of their fees. This adjustment will be based on the following:

1. Notification that the player cannot play must be made to the Treasurer of the organization. A Doctor's note indicating that the player can not play must be submitted.
2. Adjustments will be made for periods no less than calendar months.
3. If a player practices or plays during any given month, no adjustment will be given for that month.
4. Adjustments must be requested. Adjustments will not be automatic.
5. Any approved adjustments after final payment is made will be refunded at the end of the season.

If a player does not play during this period:

<u>Month</u>	<u>Adjustment</u>
September 1 – September 30	5% of current season fee
October 1 – October 31	5% of current season fee
November 1 – November 30	10% of current season fee
December 1 – December 31	10% of current season fee
January 1 – January 31	10% of current season fee
February 1 – February 28	10% of current season fee
